**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I own and manage an engineering and building design firm in Bend, Oregon. I have been a phone customer of InfoStructure and it's predecessor for 14 years. I have enjoyed low cost and excellent service for our design firm. By sustaining the option for broadband competition, small providers like InfoStructure can create great service, maintain many jobs for it's employees and sustain the revenues here in Oregon where we all benefit from their company. Please do not support the petition.

Regards,

Charles Rowles
